

Summary of the Gender Equality Plan of Lancaster University Management School (LUMS)

2022

Overview

In line with the Equalities Act 2010/2017, Lancaster University Management School

No	Area of Intervention	Action Point	

6	Gender Equality Awareness Raising	This action point is to develop awareness of gender inequality issues.	<p>7 K H L Q V W L W X W L R Q</p> <p>change are:</p> <ul style="list-style-type: none"> - an increased awareness of persisting gender inequality in public and private lives; - a strengthened commitment to advance gender equality through research, education and decision-making; - an increased awareness of GE activities and actions in LUMS to advance gender equality.
---	-----------------------------------	--	---

To secure gender equality at LUMS, we make sure that areas of intervention are covered and addressed via concrete measures and targets through work-life balance and organisational culture; ensuring gender balance in leadership and decision-making as well as gender equality in recruitment and career progression; integrating of the gender dimension into research and teaching content; developing measures against gender-based violence including sexual harassment.

Methodology

To ensure the fulfilment of the GEP, LUMS areas of intervention are focused on understanding how gender inequality is embedded in the structures, processes,
